

I am Alessandra Brogliatto, from Piedmont, from Northern Italy. I live in Ivrea, with my two children, Tommaso and Federico and my husband Frank. I am 57 years old. I have been working for social cooperation since 1995, and i have fallen in love with it since the first meeting, for its values, its principles, because it is collaboration, common action, personal and collective empowerment, because it is development and innovation.

I graduated in Pedagogy at the University of Turin, and since 2000 I have been responsible for Research Development Training and Equal Opportunities for Confcooperative Piemonte Nord.

In 2008, I became CEO of IL NODO social consortium and with great enthusiasm I became a member of the National Board of Directors Cooperators Confcooperative and coordinator of the Board of Directors Cooperators Confcooperative Piedmont. I am Member and Vice President of the Committee for Female Entrepreneurship of the C.C.I.A.A. of Turin Component Director's Booth CIF NATIONAL UNIONCAMERE for the confederation Confcooperative.

I'm part of the Women and Equality Commission of the Alliance of Italian Cooperatives, bringing content and participation in the European Working Group in coordination with Cooperatives Europe, a European cooperative representative body. I'm board member Executive Committee of ICA GEC (Gender Equality Committee).
