Experience

V. Srl | Remote

CEO | 2022 - Current

Viola Walk Home is innovative startup that uses technology to improve the street safety of people around the world and to understand the phenomenon of gender-based violence through the data collection. To date, viola intends to:

- Develop an app that allows for h24 video accompaniment of anyone afraid on the street call law enforcement in case of need, be geolocated, send notifications to contacts safe, choose safe routes, in Europe and around the world.
- Studying the phenomenon and impact of gender-based violence from data collection and analysis, thanks to a team of international researchers.

DONNEXSTRADA Association | Remote

Founder & Vice-President | 2022 - Current

DonnexStrada is an anti-gender violence and street safety nonprofit that aims to create a safe space for women and others. To date, the association offers services such as:

- Legal, psychological, gynecological, and nutritional support through professional expert on issues of gender
- Raising awareness and information on gender-based violence issues through the website
- Awareness raising and training on issues of gender-based violence and street safety through the Punti Viola project and corporate seminars.
