PROFILE

Usha is an Electronics Engineer and MBA (Executive) from OUBS, UK. She established Polmon Instruments Ltd., a company specialized in providing indigenous Measuring & Control Instrumentation and Automation solutions to the Pharmaceutical and Life Sciences sectors.

Holding the key portfolios of Finance, HR and Administration, she defines systems and policies, facilitates industry-academia linkages, looks after staff welfare, devises culture-building activities, and designs and achieves CSR goals

Usha took over as the 20th Chairperson of FLO Hyderabad and served through the year 2020-21, during which she successfully organized the FIWA Awards where 14 women leaders from various walks of life were honoured. She served as Convenor for FLO StyleTatva, a fashion and lifestyle exhibition with >200 stalls.

Usha is the recipient of:

- WCIC Prathibhabhisheka Award 2022 in SAARC Category, Sri Lanka
- International Women Entrepreneurial Challenge (IWEC) Award 2020
- Woman Achiever Award 2020 for Entrepreneurship, Govt. of Telangana
- Vanitha Ratna Award 2019 from Indywood Billionaires Club
