

## **GIANCARLO ROCCHIETTI**

*President & Founder, Club degli Investitori*

### **English Version**

Giancarlo Rocchetti is an entrepreneur, Business Angel, Founder and President of Club degli Investitori. In 1980, Giancarlo founded Euphon, which became the leading independent operator in the multimedia industry in Italy, with a preeminent position in Europe. In the year 2000, Euphon was listed on the Italian stock exchange, and Giancarlo decided to exit Euphon in 2004 to a private equity investor. He has been the President of Sviluppo Italia Piemonte, a regional government agency and was then appointed President of Piemontech, the first regional government seed-capital fund in Italy. Today, Giancarlo is investing in SMEs and startups as Business Angel. He is the Founder and President of Club degli Investitori, one of the most relevant business angel networks in Italy, with more than 350 members and 55 million euros invested in over 65 startups and scaleups.
